AMENDMENT**

Hon. Commissioner of Patents and Trademarks,
Washington, D.C. 20231

SIR:

Prior to substantive examination of the captioned continuation application filed pursuant to 37 C.F.R. §1.53(b), please amend the application, as follows:

IN THE CLAIMS:

[Please cancel Claim 1.]

[Please add the following new claims:]

21. (NEW) A digital camera memory system comprising:
a removable digital memory element for storing digitized image data,
a digital control unit for checking the memory element to determine if the memory element has been initialized,
a display for giving an indication of the results of the checking to a user of the camera, and
